House Appropriations Request FY 2011

Project Name: Economic Development through Greater Exports (Export
EDGE)

Recipient: Wake Technical Community College, Western Campus

Recipient Address: 334 Kildaire Farm Road

Recipient City: Cary

Recipient State: North Carolina

Recipient Zip: 27518

Amount of Request: \$222,000.00

Explanation of the request:

The requested funds will be used to expand Wake Tech's capacity to provide exporting technical assistance for small and medium enterprises through Wake Tech's Small Business Center and Center for Entrepreneurship, producing revenue and jobs for the region. This project is a worthy use of taxpayer funds because Wake Tech's Small Business Center is a proven champion of small and medium size employers, earning the recognition as North Carolina Small Business Resource Partner of the Year for 2009 by the U.S. Small Business Administration.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
